

**Cognovi Client Wins Fast Tech 50 Award  
For Immediate Release 11-7-2005**

The Houston Business Journal Fast Tech 50, an awards program for fast-growing technology companies that is now in its fifth year, recognizes an outstanding group of entrepreneurial companies that help make Houston one of the best places to live and work in the country. Top executives of the Fast Tech 50 were honored Friday, November 4, 2005 at the annual award luncheon.

Cognovi Communications client, Aptia Systems ranked 29<sup>th</sup> overall in this year's Fast 50 program. Aptia specializes in custom software solutions in the oil and gas and healthcare verticals.

To qualify for the Fast Tech 50, a company's headquarters, or a foreign company's U.S. headquarters must be located in Houston SMSA region. A minimum of 51 percent of the company's consolidated net revenues must be involved in the original manufacture, design or development of technology products or delivery of services.

"We congratulate Aptia Systems for this accomplishment," says Katie Walthall, President of Cognovi.
